Date	10-11-2022
Team I'd	PNT2022TMID49090
Project Name	IOT based smart solutions for railways

The objectives as,

- The Corporate aim of the Indian Railways is to commit itself to ensuring that all its activities are managed to the highest level of safety which is pragmatic and reasonably practicable to achieve.
- Its application increases safety, efficiency and ease of use with train management systems. Control and surveillance systems reduce the risk of collisions and regulate speed.
- Advanced consumer technologies help maximise connectivity and allow passengers to continue their activities on smart devices while travelling.
